/

The amount will be converted to NZ dollars at the current exchange day rounded up.

The currency translated charges, over which we have no control, should not exceed the quoted price due to changes in the foreign exchange rate before translation.

We need both Visa / Mastercard Account # and Expiry Date to process

NB: Alternatively for security split and send card data as 2 e-mails labeled engine / gearbox #

Our Bank Account and Swift code is supplied on the invoice for online payment options
